

# Pediatric Oncology Treasure Chest Foundation Annual Report 2019

# Letter from the Founder and Chief Executive Officer

Dear Friends:

In 1996 the first ever Treasure Chest Program opened, serving 300 children and teens undergoing treatment for cancer every month. With the opening five new Treasure Chest Programs during 2019, we offer our unique services in 20 states—an amazing level of achievement in this our 23rd year of existence.

Our most recent openings reflects the Foundation’s enormous growth during its two decades of dedicated service to children and teens fighting cancer. Each new program makes a tremendous impact by providing comfort and enhancing the lives of thousands of children and teens who are faced with the adversity of battling cancer. These newest Treasure Chest Programs also remind me that we are truly blessed to have your ongoing and generous support.

Thanks to caring people like you, we now serve more than 14,000 young cancer patients in 20 states across the nation and in the District of Columbia every month and we continue to grow.

That faithful support has been the common denominator behind all of our successful Treasure Chest Programs through the years. Without you, we never would have achieved our current level of providing vital services each month. Thanks to you we’ve not only survived, we’ve grown and adapted to an ever changing, ever challenging environment. And through it all, we’ve never wavered from the relentless pursuit of our mission to provide comfort and distraction from painful procedures to children and teens diagnosed with cancer.

We have so much to reflect on in our glorious past 23 years, so much to be thankful for and so much to be excited about in the coming year.

In this Annual Report you will find a list of our contributors, fundraisers and toy drive donors.

As I reflect on these incredible 23 years, I know that every donation we receive, every toy and gift card we provide and every smile we bring to a brave child’s

face is as important and gratifying as that first toy selected from the Treasure Chest some two decades ago.

On behalf of the Board of Directors, staff and the children we serve thank you for your support and dedication to our mission.

Sincerely,

Collen M. Kisel, CEO and Founder  
Treasure Chest Foundation
